

It is with great pleasure and pride that we announce the **Young Israel of Passaic-Clifton Building Campaign.**

Many of you have witnessed in recent years how the Young Israel of Passaic-Clifton has experienced a surge of growth with many new member families benefiting from the shul, once again a vibrant center of inspirational shiurim and youth programming. Indeed, our shul is known for its broad spectrum of members and visitors, all seeking inspiration and Torah growth and the opportunity to engage a warm and welcoming kehila. As the YIPC is an integral part of the Passaic-Clifton community, we are turning to you for broad community support for our building campaign.
